HIGH POINT VOLUNTEER FIRE COMPANY

presents the

18th Annual Harry T. Marti Memorial Golf Tournament

Thursday, September 28, 2017

1:00 p.m. Scramble/Shotgun Start

Atlantis Country Club

609-296-2444

You are cordially invited to participate in the 18th annual Harry T. Marti Memorial Golf Tournament to benefit the High Point Volunteer Fire Company. Golf was one of Harry's favorite activities. How fitting to honor him in this way and benefit the Fire Company that meant so much to him.

Harry Marti was Chief of the High Point Volunteer Fire Company for over twenty years. His accomplishments around the county and state are noteworthy. Harry was instrumental in the development of the Ocean County Fire Academy. He served on the board of the New Jersey State Fire College. Harry helped establish a fire school in the southern part of Ocean County. Along with Ed Parker, he played a key role in developing the Emergency Management and Fire Marshall offices in our county. These are just a few of Harry's accomplishments during his long career in the fire service.

We hope that you will come out and join us for an exciting day. You will have the opportunity to win many prizes, enjoy a great day of golf, honor a great fireman, and benefit the High Point Volunteer Fire Company. We look forward to seeing you there!

Sincerely,

Robbie Federicci

ALL PROCEEDS TO BENEFIT H.P.V.E.C.
Rain date to be announced.

Every year we try and use fundraising income for specific items and the maintenance of our firehouse and equipment, plus, the cost to outfit each firefighter has now exceeded \$4,500 just in firefighting gear.

With your help, whether attending and/or sponsoring different golf holes, supporting the Striper Shootout, Dog Day Race, chicken dinner, or celebrating Rocktoberfest with us at the Fire House, we have been able to achieve several goals of purchasing needed equipment and repairs to our aging building. We thank all of you for that.

Once again we are excited about this year's tournament!! We hope you'll join us once again, and thank you in advance for supporting the High Point Volunteer Fire Company ...

The Golf Committee
